ELECTION APPROACHING

Plans are progressing for the election of new Mich-Tams Officers. This information comes from our president Ray Olson. In a phone call Ray stated that it is hoped that ballots will be mailed to all paid-up members about November 1. These ballots will need to be returned before the annual fall meeting which is slated for November 25. Or you may cast your ballot there.

Nominated to date are:

For PRESIDENT - Donald R McKelvey, Robert L Williams, Mrs Dorothy Bigham, Mrs Marie Johnson.

For VICE-PRESIDENT - Chester F Clark, Clifton A Temple, Floyd D (Pete) Hartley.

For SECRETARY - Mrs Dorothy Bigham, Chester F Clark.

For TREASURER - James J Curto, Robert L Williams, Raymond E Olson.

For BOARD MEMBER - Donald R McKelvey, Robert L Williams, James J Curto.

Not all of these nominees have consented. The final ballot may be somewhat different. Nominations or volunteers to run are still open. If you have not paid 1972 dues please do so in order to register your vote. Look for your ballot about November 1.

MICH-TAMS MEMBERS AT ANA

Our retiring National TAMS President who gave up the gavel at the ANA in New Orleans this summer is our own Mich-TAMS charter #12, George D Hattie of Crosse Pointe Mich. Hattie, also an ANA Governor, must have been most helpful in the organizing of Mich-TAMS, as his low number would indicate. He is known to be quiet, diligent, and well-known. He has shown slides of his Colonial paper money, has aided the Mich State Numismatic Society with his legal counsel, and in March 1971 contributed to the Junk Box a well-written article on Political Campaign Buttons. For all of this and much more we say thank you, Mr Hattie.

Max M Schwartz, our charter #101 in Miami Fla, won the Donald Miller Award for the best merchant token exhibit at the ANA. Is the donor of this award the same Donald Miller as our charter member #100?

Also will someone enlighten us as to whether or not our new National TAMS President Byron Johnson is the same person as our member #258? The new First VP is Dottie Dow, charter #64 of Phoenix Ariz, and the new 2nd VP is Clifford Mishler, charter #171, Iola Wisc. And ANA President John J Pittman is our charter #2, and Virginia Culver of Thionville Wisc, new ANA VP is our charter #178.

Will someone be kind enough to supply our editor with information as to membership in the national organization, The Journal, etc for the Junk Box?

published by METCO in Richmond Beach Wash it is stated there are 395 pages 8 1/2 x 11, loose leaf to fit standard 3 ring binder, with rarity scale with price guide, sells for \$9 from Lewis K Ferguson, 1605 Roosevelt Ave, Ames Iowa 50010.

THANKS TO MARIE JOHNSON

It was a beautiful Michigan summer Sunday on July 30th when Mich-TAMS folks, together with the check and paper money collectors, gathered at the farm home of Marie Johnson, #40*, and her husband Bill and daughter, near Clinton Mich. Only two days earlier a photo of the farm buildings and yard had appeared in Coin World telling of the event.

Starting at 9:00 AM the collectors started coming, with their families, and the rows of tables and chairs were set up on the spacious lawn beneath the large shade trees. The Johnsons furnished all the food, the baked beans, homemade icecream, and all. The free bourse was a bonanza to the traders and collectors, and you may imagine how lively things were. And especially fun.

ABE LINCOLN'S FAVORITE CAKE

This recipe is submitted by William Gottschalk #189*, Roseville Mich.

1 cup butter	3 cups flour	1 cup chopped blanched almonds
2 cups sugar	2 tps baking powder	1/2 tsp salt
1 cup milk	1 tsp vanilla	6 egg whites

Cream butter and sugar lightly. Sift flour and baking powder together and add with milk to first mixture. Add nuts and vanilla. Fold in beaten whites of egg. Add salt. Bake in three 8" or 9" pans, in moderate oven at 350 F.

Mary Todd made this cake for Lincoln before their marriage, and he declared it "the best in Kentucky." This is the original recipe. (See with boiled icing, to which add 1/2 cup candied pineapple and cherries, chipped fine.)

AMONG OUR MEMBERS

Athel M Rasmussen #371 and her husband Bill have the Historical Shop at 306 S Main St in Royal Oak Mich. This congenial couple were at Marie Johnson's July 30th picnic with loads of books of collectors items. Many saw their array of good tokens, medals, politicals, paper, and collectibles for the first time. And a collector on vacation in Sept who drove to visit their shop (it was closed due to Bill's illness) says you should see what is in those shop windows.

Milton G Helman #131* of Harango Iowa is a collector of old elongated coins, "sculptured coins", soap tokens, old Iowa tokens, and Iowa transportation tokens. He states he "truly likes the Junk Box."

Ray Manville #403 of Union Lake Mich, according to his letterhead, is author of a weekly column The Coin Collector, a director in eastern US of the CNA, and a member of at least 16 national and state numismatic organizations.

William H Brown #335 of Hazel Crest Ill has offered, if Mich-TAMS would like, at some future get-together, to give a slide display on the history of Masonic Chapter pennies. Also Mr Brown will answer all questions on chapter pennies if senders will send a stamped envelope to him, Box 74 in Hazel Crest.

At least 7 members of Mich-TAMS will have their names on the ballot of the Mich State Numismatic Society this November. Twelve governors will be elected. Seeking to be a Governor is Donna Streator #36, Wilma Dean Roethke #83, Ray Olson #95, Don McKelvey #191, Dick McKnight #221, Ralph Hinkle #333, and Chester Clark #406, each from a different city.

MICHIGAN CELEBRATIONS - 1972 UPDATE

We are ever grateful to George C Stenson #310 of Algonac Mich for keeping us posted on the latest Michigan collectibles. The known items issued by the following towns are:

<u>Armada</u>	<u>5¢ black wooden nickels</u>

TRANSPORTATION TOKENS WRITER

Roice V Rider #109 of Lansing Mich, authority on transportation tokens and member #425 of the American Vesturist Association, writes an article each month for the publication Collector Quotes, an Oklahoma coin monthly. Rider states that more than 5,000 copies of Collector Quotes will be mailed in October or November.

Mr Rider wishes to promote Mich-TAMS and is inquiring as to what we have as a membership application blank, and whether or not he may obtain a list of Mich-TAMS active members. He is searching for a copy of the "Miller" catalog or some other suitable one.

KALKASKA TRADE TOKEN

Recently found in a box lot from a public auction, among miscellaneous items, were two trade tokens. Mr and Mrs Tony Poma of Howell Mich are curious as to what they have. The tokens are alike, and at first glance one would note they are not valuable because of the badly corroded and dark condition. But are they scarce, and during what period were they used?

The tokens are the size of silver dollars and are probably white metal. On one side is GOOD FOR/(3stars)/\$1.00/(3 stars)/ON A SUIT. The other side reads ONE ON EACH MAN'S SUIT OR OVERCOAT/JOY, NETZORG & CO./MEN'S OUTFITTERS/KALKASKA, MICHIGAN.

LINCOLN MEMORIAL UNIVERSITY

On February 12, 1897, a college was chartered at Cumberland Gap, Harrogate, Tennessee, as a living memorial to President Lincoln. This year on its 75th Anniversary of this mountain college in the heart of Appalachia 600 medallions have been struck. The serial-numbered silver medallion has an issue of only 250 pieces and is of classic size 2½ inches in diameter. It was priced at \$75 each. The bronze medallion is 1½ inches in diameter and priced at \$3.50 each postpaid. Write to 75th Anniversary Medallion, Box 1865, Lincoln Memorial University, Harrogate, Tennessee 37752.

Webster's dictionary says a medalet is a small medal. But how small?
